### Volunteer Opportunities:

<b>Patches for Progress</b>	Help keep track of minutes read by grade and by school - the program is all set up in Excel for you!
<b>Book Sales</b>	This is two categories. We schedule people to come in once a week, at their convenience, to sort books, straighten & fill shelves in our "Used Book Sale Shelves" in the main Library. We also have a Semi Annual Book Sale in the Spring & Fall and schedule people to work during the sales. There are several types of shifts available - one is for you!
<b>Book Pick-Ups</b>	This is a service that we like to offer on an as-needed basis. Sometimes we have an elderly supporter that wants to donate books. We like to make this easy for them by having several friends ready to help pick-up, if needed. This could be a great service as we hook up with realtors to offer a service to pick up books, tapes, CD's & movies from residents moving that would prefer NOT to move them - we'll take them!
<b>Fundraising</b>	This involves a Business Friends campaign & follow-up with area businesses, now that we have our Non-Profit status.
<b>Special Events &amp; Programs</b>	Want to volunteer at a Library event?? Let us know your preference & we'll pass it along to Library personnel.

**The Friends of the Pickerington Public Library is recognized as a Non-Profit Organization - this means your membership is Tax Deductible, within the limits permitted by law!!!**
