Board Policy:

Date Reviewed: 12/14/17
Date Approved: 12/14/17
Effective Date: 12/14/17
Replacing Policy Effective: 08/11/16

Any person or organization that resides in Ohio who agrees by written or electronic signature to be responsible for all materials they borrow, will be issued a library card and allowed to use the collections and other services of the Pickerington Public Library. Cardholders will be responsible for all fees charged to their library account as a result of use of library materials. Fees that exceed an established amount and/or long overdue items will result in suspension of cardholder privileges until fees are paid below the established amount and/or long overdue items are returned.

A lost library card shall be reported immediately. The cardholder is responsible for materials checked out up to the time the card is reported lost or stolen.

Parents or legal guardians of Minors, those 17 years of age and younger, must sign or electronically agree to be responsible for all materials borrowed by minors and to monitor the nature of all materials used by Minors, including materials accessed using Full Access library cards. Parents and legal guardians will have Minor library card choices:

1. **Restricted 1:** Minors may borrow print materials only. There is no access to audiovisual materials. Electronic Resources, including databases and downloadable content, are available for in-house and remote use.
2. **Full Access:** Minors may borrow any circulating item, including audiovisual materials. Electronic resources, including databases and downloadable content, are available for in-house and remote use.

The exception to this are Student Cards, which may be issued to Minors as a special limited access library card which does not require the signature of a parent or legal guardian.

The Pickerington Public Library will ensure that its cardholders have the greatest opportunity to utilize its collections, as well as those of its Central Library Consortium partners. Library card guidelines and loan periods are established for this purpose.

Replacing Procedure Effective: 12/14/17

A. Issuing Library Cards

There is no charge to apply for a library card. There is a charge of \$.50 for each replacement library card. Proper identification is required to receive a replacement card. See “Examples of Acceptable ID” below.

Customers must provide a written or electronic signature signifying their acceptance of the Cardholder’s Policy. Library cards will be issued only to those customers or organizations residing in Ohio.

Adults age 18 and older, must present a photo ID and verification of current address. Acceptable photo IDs must include a photograph and printed name. If photo ID does not include the patron’s current address, he or she must present one piece of official documentation for verification of their current address. A customer providing the required identification will immediately receive their library card.

If photo ID presented does not include the customer’s current address and the address cannot be verified using acceptable documentation, the library card will be mailed to the customer. Check out will not be available until the customer receives their card through the U.S. Mail.

Managers and staff should use appropriate judgement to support the library’s mission by issuing library cards under exceptional circumstances.

If the customer is staying at a care facility or shelter, a letter dated within two weeks stating that the customer may use the agency as a mailing address and signed by the agency's representative may be used as address verification.

For Minors (Ages 17 and Under):

There is no minimum age requirement to receive a PPL library card. Parents or legal guardians of minors must agree by written or electronic signature to accept the cardholder agreement. Therefore, library cards are issued to minors following the verification of the parent or legal guardian's photo ID and address. The parent or guardian's address must be entered as the primary address in the minor's record. The full name of the adult signator will be added to the minor's record at the time the account is created.

When the Child is Present: The parent or guardian will provide identification that satisfies the requirements for signing up for a Full Access card, and also sign or electronically accept responsibility for the minor's account.

When the Child is Not Present: The parent or guardian will provide identification that satisfies the requirements for signing up for a Full Access along with verification of the child. The child's name must be clearly printed on an acceptable form of identification.

Examples of Acceptable Forms of Child Verification:

birth certificate, school ID, social security card, insurance card, juvenile state ID, recent school report card, immunization records, lost child ID, Permanent Resident Green card or Matricula Consular.

When the Parent or Guardian is Not Present:

Student Cards may be issued to minors as a special limited access library when a parent or guardian is not available to consent to borrowing privileges. The minor's parent or guardian must follow the above procedure for obtaining a library card for a minor in order to activate full library card privileges.

If the parent or guardian is unable to come to the library, they may complete and sign the print version of the borrower's application and return the application, along with their ID and address verification (if needed) to the library with the child. Staff will confirm that the signature on the application matches the signature on the ID.
