## 2022 Budget Request:

2022 Revenue Estimate – Based on the current PLF discussions of reducing PLF to 1.66% and reducing income taxes by 2% the PLF estimate has been reduced to \$1,095,534. Overall revenue estimate is \$2,634,084 for the General Fund and \$50 for the Capital Projects Fund.

- Main Personnel Increased to reflect an increase in operating hours starting in 2022 and provide raises for staff. The Salary ranges are due to be re-evaluated in January 2022. The amount requested of \$1,208,800.
- Sycamore Personnel Also increased to reflect an increase to full operating hours, raises and full staff coverage. Amount requested of \$268,630.
- Main Operations Increased to reflect general increases for insurance, utilities and maintenance. Programming budgets restored to pre-pandemic figures. Amount requested of \$392,500.
- Branch Operations Amount requested of \$128,650.
- Collections Increased to pre-pandemic levels and increased Overdrive budget due to increased usage. Amount requested \$356,360.
- Equipment and Furniture Increased to pre-pandemic levels to replace technology and furniture. Total requested of \$79,000.

Total General Fund Budget request - \$2,433,940

Homework Help Center - \$300

Capital Projects Fund - \$40,000 (This is the maximum available to be appropriated based on the Fund balance)

## Comparison to 10 Year Forecast:

- Revenue The 2022 estimated revenue is \$82,891 below the projected revenue for 2022 due to the possible unexpected reductions to the PLF.
- Expenditures The 2022 Budget request is \$53,919 below the expected expenditures for 2022.
- Capital Fund Transfers in the Forecast The amount projected to be transferred in 2020 was \$100,000, 2021 is \$150,000 and 2022 is \$255,000. The \$100,000 in 2020 was not transferred.

## Facilities:

Current projects:

- Main Library Structural Roofing Issue The copper roof on the front of the building is complete on the outside! Tony shared some photos. The inside of the roof still needs sanded down and refinished. Expected completion is the end of the week.
- Rear Roof Update There are still negotiations going on between the manufacturer and the contractor regarding the approach to resolving the issues with the defective materials on the rear roof. Materials are expected to be delivered next week. Pending final approval work will restart on May 24. There are three weeks of work to complete the construction of the rear roof.

#### Miscellaneous:

Staff Member Highlight:

- Rhonda Adams "AKA Violet"— Rhonda has been employed at the library for almost 8 years. Her current role is Customer Services Associate. Rhonda is responsible for processing incoming materials, completing monthly customer service reports and shelving. Rhonda voluntarily performs the duties as the library's mascot, Violet the Cow. She takes this role seriously and performs the duty of a mascot with pride. Rhonda has made positive contributions to her colleagues' morale. She created a staff driven recognition program called the "Gratitude Jar". Staff anonymously submit notes stating why they are grateful of specific colleagues.

## State Budget Update:

- The Ohio House did not include a provision in Amended Substitute House Bill 110 to maintain the Public Library Fund (PLF) for Ohio's libraries at 1.7% of the General Revenue Fund (GRF). Based on what is included in the House Budget, libraries are being negatively impacted in several different ways:
  - The PLF percentage is being cut from 1.7% to 1.66%.
  - The base of the GRF will be negatively impacted by the 2% income tax cut.
  - Libraries will automatically see a \$5 million deduction each fiscal year for the Ohio Public Library Information Network and the Library for the Blind.
- Libraries are not receiving any of the American Rescue Plan (ARP) Act stimulus money for local governments directly from the federal government.
- Of the \$200 million devoted to libraries from the ARP stimulus money, Ohio will receive \$4.5 million. The State Library of Ohio controls the distribution of those funds and they have decided to grant that money to Academic and Special Libraries.

# PLF Negotiations:

- Discussions begin next week regarding the County PLF Agreement. Directors are meeting to have an initial discussion.
- Because the US Census data has yet to be released, we are hopeful the other two libraries will be willing to extend the current agreement one more year.

#### 2021 Action Item:

- Retain With the challenges brought by the pandemic, Tony feels working to retain our current customers is vital to our organization's success. To accomplish this, he will work to ensure that the quality of the virtual programming and services continue to meet the customer's changing needs. Tony will do this by launching a Customer Experience campaign outlined in newly written guidelines.
  - Met with Secretary of State Frank LaRose to discuss how we can support his efforts in sharing information to business and Voter Registration.
  - Subscription Book/DVD Bundle Service 5 customers have signed up so far and we plan to push to get the word out.
  - We are rolling out the newly created guidelines this next quarter.

- Regain The pandemic has changed the habits of many citizens. Additionally, with lockdowns and concerns of spreading the virus, many people have turned to other outlets in order to meet needs traditionally fulfilled by the library. Tony will work to update the library's business model and align services to meet the new/changed needs of community members.
- Recover For a long time, Tony has talked about the library playing a strong role in supporting the health of the community. One way the library can continue with this role is to continue to create partnerships and adjust the business model to expand capacity outside of the four walls of the facility. It is important to examine whom the library is currently working with regularly and determine if other partnerships need to be created. Additionally, the library can no longer be a library that waits for people to come to the library. Once it is safe, the library needs to have and execute the plan to reach the community where they are instead of where the library is located. This is the first step in helping the community and the library recover from this pandemic.
  - The library has collaborated with Violet Township to provide classes and events at their Community Gardens. Additionally, a summer reading finale is being planned on the Wigwam Property.

#### Old Business

#### Pandemic Operational Update:

This past week, Governor DeWine announced that he has asked the Ohio Department of Health to remove most pandemic health orders on June 2nd.

- The timeline is intended to allow any Ohioan who has not yet received a COVID-19 vaccine to obtain one to protect themselves and others before the lifting of coronavirus mitigation protocols.
- Measures being removed will include facial covering protocols, social distancing guidelines, and capacity restrictions for indoor and outdoor events.
- Governor DeWine announced that any pandemic health orders that would remain solely relate to nursing homes and assisted living facilities.

Library Administrators understand the Governor's decision to rescind the health orders: However, we recognize that this isn't the end of the pandemic. Furthermore, it is our

opinion that we are still facing changed customer habits and financial fallout due to the pandemic.

Below is an outline of the adjustments we are making to our operations during this phase of the pandemic. These adjustments will take effect on June 2, 2021

#### Quarantine of Materials:

Effective April 20, 2021, quarantining ended for all materials received at Pickerington Public Library. The CLC Governing Council voted to end the practice of quarantining materials beginning May 23, 2021. The library will continue quarantine on all materials going to CLC libraries until that date.

#### Masks:

With State mandated face covering requirements being lifted, the library is taking the stance that wearing masks on library property is optional for staff and customers.

The Library will end the practice of providing disposable face masks for staff and the public. This is because all staff have received 6 cloth masks provided by the BWC over the past 9 months.

#### Gloves:

Effective April 20, 2021, the library eliminated the requirement to wear gloves when handling materials. Gloves are still available as an option for any employee. Gloves will be required when cleaning as outlined by the CDC.

## Cleaning:

Staff are no longer required to clean tables and computers after customers use them. Additionally, staff no longer are required to clean shared workstations before the next person takes over. Cleaning supplies are available if a staff member chooses to clean the workstation when taking over the assigned station.

Facilities Management staff are responsible for daily cleaning of the facility unless there is an immediate need for staff to clean an area.

Each facility will be fogged once per week.

# Plexiglass Barriers:

All plexiglass barriers will remain in place until determined unnecessary by Library Administration.

## Staff Health Checks:

Staff will no longer be required to take their temperature before coming into work or when they arrive at work. However, Staff are expected not to come in if they have a fever or known contagious illness.

Staff are expected to wash or sanitize their hands before the start of their work shift.

#### Staff Quarantine Requirements:

If staff are fully vaccinated, there will be no requirement for quarantining.

If staff are not fully vaccinated and come in close contact with someone who has COVID 19, they will be required to follow CDC guidelines and quarantine for 14 days. Staff will need to take PTO or use unpaid time during this 14-day quarantine.

## Social Distancing Guidelines:

The Library follows CDC guidelines on Social Distancing whenever possible. Staff are expected to social distance, but the library will not be enforcing social distancing among customers.

#### Public Access:

- All Restrooms are available for the public.
- Tables -
  - A two person per table requirement remains in effect.
  - Furniture is not allowed to be moved from the area it is located. Meaning, if two people are at a table and want to move closer together, they can do so. They are not allowed to move tables closer together, or move chairs to other tables.
  - The requirement has ended for reserving tables.
  - The library is starting to add more tables into the atrium as construction and quarantining operations are complete.
- Computers Reservation and time limit requirements for computers have been eliminated and all computers will be brought back on line.
- PAC stations All Catalog Computers are accessible to the public.
- Meeting and Small Conference Rooms There will be no changes to the access to meeting and conference rooms at this time. ELT will monitor CLC guidelines on social distancing and make changes as necessary.
- Self-Serve Reserves Self-Serve Reserves began at Main library. Due to collection space needs, the reserves will remain behind the desk at Sycamore Plaza.
- Self-Checkouts All Self-Checkout stations are back online and accessible to the public.

#### Classes and Events:

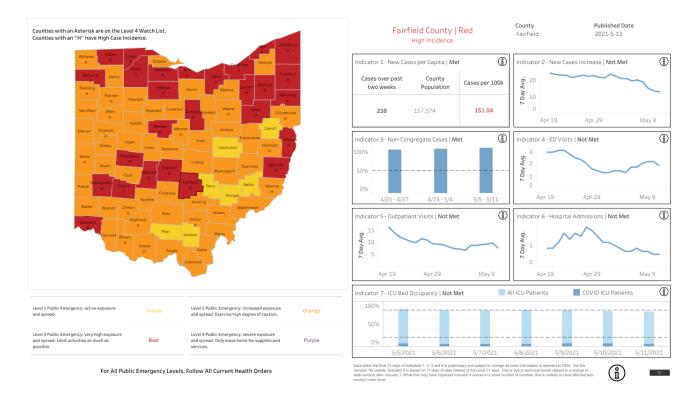

- Indoor All indoor classes and events will follow a 25% room capacity.
- Outdoor Outdoor events and classes will not have any requirements for social distancing.

#### Food & Drinks:

The library is not allowing food inside at this time. Drinks with lids will be allowed into the library.

#### Current COVID information:

# **Operating Hours:**

At this time, ELT is not recommending expanding operating hours back to prepandemic levels. With potential cuts to the PLF and an unsure outlook in the housing market, this is not the time to expand hours. The library feels it is in the best interest of being fiscally responsible to wait until the beginning of next year to reassess the financial outlook. The library understands there are community members who want Friday hours back at Sycamore Plaza Library, but there is a need to rebuild that location's business before expanding hours.

Discussion was held about meeting in person for the next meeting.

Discussion was held about challenges to the library in comparison to other libraries in the area, and decisions about current operating hours.
