Dear Tony,

Congratulations! The Pickerington Public Library Fund was the recipient of \$2,149.48 in donations during the Fairfield County Foundation's 34-HOUR GIVE and will receive \$232.84 in matching funds. Your matching funds are available in your fund now! Details can be viewed by logging in to your fund advisor portal, found on our website.

To celebrate our 34th Anniversary and Giving Tuesday, we invited Foundation fund holders to participate in our 34-HOUR GIVE. This event is the perfect way for the Foundation to celebrate 34 years of Building a Legacy, by giving back to those individuals and organizations that support our community and our community Foundation. A total of \$313,996 was donated this year to over 100 individual Fairfield County Foundation funds. Add to that the \$34,000 in matching funds from the Foundation in addition to the additional \$10,000 to celebrate the 10th year of our 'Give' events, and this year's total award to participating funds is \$357,996!

We are truly grateful to our donors and supporters who continue to make our annual 'Give' events such a success for the community. What an incredible way to kick off the season of giving!

We appreciate the difference you are making in our community and thank you for your participation!

Very truly yours,

Significant Issues

- Internal
 - Saturday and Sunday Operating Hours
 - Staff recently requested that Administration consider changing weekend hours by adding 1 hour to Sunday and taking one hour away from Saturday.
 - We reviewed data from September through November 2023
 - Saturdays 9am – 10am Average door count
 - Main Library – 27 People
 - Sycamore Plaza – 7 People

- Sundays 1pm-2pm Average door count
 - Main Library – 176 People
 - Sycamore Plaza – 58 People
- The initial look at the data supports making a change. We are looking at an expanded set of data to understand the entire realm of possibilities before making a final recommendation.
- **Board Action** – None at this time. Just understand that this is being researched and discussed.
- The “N” word
 - With the large crowds of students coming to the library, we have experienced a wide variety of behaviors. One of those behaviors is the use of offensive words.
 - According to the Library Policy

| | | | |
|--|--|----------------|-----------------|
| Use of offensive, obscene, or abusive language | Warning, and may be asked to leave the premises for the remainder of the business day. | 7-day eviction | 30-day eviction |
|--|--|----------------|-----------------|

- Recently, there has been a debate among staff and Administration regarding addressing customers saying the “N” word.
 - One side of the argument is that this word is being used as part of the culture the person comes from.
 - Another side of the argument is that the word is derived from racism and is offensive.
- We are currently researching how other library’s and organizations approach this type of situation.
- **Board Action-** Please share any opinions on this subject.

Executive Summary

The library has completed their annual performance assessments for staff. After reviewing the Library’s positions and pay ranges last September, we have determined that the Customer Services Leader and Youth Services Leader positions are categorized in the wrong ranges compared to other libraries of similar size. We are recommending these two positions (3 employees) be moved up one range into range 6 of the salary schedule.

Employees that are below the new range have been raised to the minimum pay for their position. If an employee has been at the library for over a year, then their wage is raised to the minimum in the range and their raise percentage is multiplied the number of years of service. For employees within the range, with less than a year of service then their wage is calculated based on a 2% increase divided by the number of months of service. The proposed wage increases are calculated based on a “bridge” method, which divides the percentage of increase by the timeframe since the last raise.

Annual wage and salary rate recommendations are listed below.
